2017 ANNUAL REPORT
Thank you for making 2017 a terrific year for Boys & Girls Clubs - Alaska! We could not achieve all that we do without the tremendous support from our Alaskan communities.

In 2017, your support granted us the opportunity to open the doors each day in 25 Clubhouses, facilitate seven athletics programs, licensed Childcare, and guide and support over 8,500 young people.

As we look toward the future, we aspire to respond to the needs of our children and families in Alaska. We continuously explore ways to go from good to GREAT by focusing on our Club Members and planting seeds of greatness not only in their minds, but also in their hearts and souls. We believe that success is within the reach of every child and our goal is to work with each and every youth to unlock their potential to help them see, not only see their future, but also the way there.

When Alaskans invest in Boys & Girls Clubs, they are investing in on-time grade progression, more first-generation college students and more high school graduates mastering a trade or technical skill. Alaskans are investing in their future. We hope you will continue to support our mission to empower dreams, awaken passion and inspire hope within Alaska’s youth.

GREAT FUTURES START HERE.

We could not do this without you! Your support is deeply appreciated!

Sincerely,

Alana Humphrey
Chief Executive Officer
Boys & Girls Clubs - Alaska
Why Boys & Girls Clubs?

**A Safe Place**

Boys & Girls Clubs are a safe place to learn and grow -all while having fun.

It is the place where great futures are started each and every day.

**Recreation & Companionship**

In every community, youth are left to find their own recreation & companionship, too often without adult care or supervision.

Young people need to know that someone cares about them.

**A Place to Become...**

Club staff help inspire, and empower youth to achieve academic success, good character and leadership and healthy lifestyles. So whatever our youth dream of becoming, we can help them achieve it.

**Youth Development**

Club programs and services promote and enhance the development of boys and girls by instilling a sense of competence, usefulness, belonging and influence.

GREAT FUTURES START HERE.
WHAT SETS US APART - FOUR KEY CHARACTERISTICS

Available & Affordable to All Youth
- Clubs reach out to youth who may lack access to, other community programs. Membership fees are as low as $50/yr and scholarships are available for those who need them.

When School's Out, Clubs Are In
- The Clubs are open after school and during the summer, when kids have free time and need positive, productive outlets.

Professional Staff
- Every Club has paid, trained youth professionals, serving as positive role models and mentors. In addition, volunteers provide invaluable supplementary support.

Dedicated Youth Facility
- Boys & Girls Clubs are community based, youth friendly facilities with age appropriate programs and activities.
Who We Serve

Our Clubs served nearly 9,000 youth statewide in 26 Clubhouses in urban and rural communities, as well as through our Athletic department and Licensed Child Care Center.

Demographics

Ethnicity

- American Indian/Alaska Native (27.27%)
- Asian (2.02%)
- Black/African American (13.13%)
- Hispanic/Latino (5.05%)
- Pacific Islander/Hawaiian (6.06%)
- White/Caucasian (28.28%)
- Multiracial (18.18%)

Family Incomes

Household Income

- $0-25,000 (43%)
- $25,001-51,000 (28%)
- $51,001-73,000 (11%)
- $73,001-100,000 (10%)
- $100,001+ (8%)

Age and Gender Distribution

- 6-10: 1,963 Male, 1,436 Female
- 11-13: 1,474 Male, 1,108 Female
- 14-20: 1,080 Male, 783 Female
- <5: 145 Male, 134 Female
### 2017 Financial Support

#### Source of Funds

#### Use of Funds

- **Statewide Clubhouses:**
- **Urban Clubhouses:**
- **Community Centers:**
- **Childcare:**
- **Administration:**
- **Athletics:**
- **Fundraising:**
**Boys & Girls Clubs of America has established a "Great Futures Vision for our Movement:"**

Provide a world-class Club experience that assures success is within reach of every young person who walks through our doors, with all members on track to graduate from high school with a plan for the future, demonstrating good character and citizenship, and living a healthy lifestyle.

To see this vision become a reality, Boys & Girls Clubs of America has developed the Formula for Impact, a research-based theory of change that describes how individual Clubs and the Movement as a whole will increase our impact - exponentially - on the young people of America. It is a roadmap for all Clubs to use to ensure that members have a life-changing Club experience, and leave the Club knowing they will have a great future.
2017 Volunteer Overview

Over 1/3 of our volunteers are Athletics Coaches

Over 25% of volunteer hours are spent in a Clubhouse serving Club members

1,259 volunteers completed 36,440 hours of service

Just over 2/3 of the volunteer hours are completed by Athletics Coaches
2017 in Comparison

Overall our number of volunteers in 2017 (1,281) went down roughly 10% as compared to the previous year (1,432), but the number of hours completed increased by 9% (33,226 hrs 2016, 36,440 hrs 2017). The decrease in the number of volunteers may be attributed to loss of one of our urban community events, Trick or Treat Town, with an average of 380 event volunteers. The increase in our number of hours completed may be due to improved volunteer tracking but by no means is that the only contributing factor.

*The number of event volunteers dropped significantly, as we are no longer holding our Trick or Treat Town event
In 2017, Boys & Girls Clubs - Alaska Athletics programs continued to support hundreds of volunteer coaches in providing thousands of youth players a save, positive athletic experience. Every child who participated in our sports programs on a regular basis, with encouragement form their coaching staff, parents, and his/her peers, enhanced his/her self-esteem, confidence, and ability to work cooperatively with others.

Thank you to the following Local Team Sponsors for supporting our youth athletes:

- Rick's Final Touch
- Alaska Women's Cancer Center
- Aurora ENT
- Novus Auto Glass
- Advanced Sonograms
- Pairmore & Young: Synergy Chiropractic

- Guaranty Mortgage Service, Inc.
- Purcell Tire and Service Company
- Walther Dental Center
- Ground Up Services
- Hard Rock Cafe Anchorage
- Buffalo Wild Wings

Participation in 2017

- Basketball: 195
- Volleyball 320
- Soccer: 498
- Indoor Soccer: 138
- Football: 273
- Flag Football: 77
- Dodgeball: 16
- Karate: 78
Located on the Woodland Park Campus, our Child Development Center serves children ages 6 weeks to 5 years, providing a safe, nurturing and engaged experience for all of our little ones. We offer a variety of educational opportunities that reflect a child's individual and group needs. Special emphasis is placed on those activities that develop self-confidence, self-expression, positive social interactions and self-reliance. Staff members are trained in early childhood development and certified in First Aid and adult, child and infant CPR.

Our School Aged Childcare is a before and after school program which serves children in grades K-6. The programs offered keep children engaged and develop self-confidence, self-expression, positive social interactions and self-reliance through a learning based curriculum. School Aged Childcare serves youth at the Woodland Park Location and Turnagain Elementary School.

Our Child Development Center partnered with Thread Alaska to incorporate the "Let's Move! Quality Initiative" to further increase the gross motor skills in our 3-5 year old classrooms. The "Let's Move!" also focuses on reducing childhood obesity through assisting children to build healthy habits.
2017 State Youth of the Year,
Gabe Frommer
Woodland Park Boys & Girls Club

Gabe became a Jr. Staff at Woodland Park in May of 2016. Since then he has been a constant role model to the younger Club members. He has lead STEM activities, our SMART Kids program, and many other activities that make the Clubhouse such a life changing positive place.

Gabe has since graduated from Service High School and is currently a Program Coordinator at Woodland Park and attending the University of Alaska Anchorage, pursing a degree in

Woodland Park Boys & Girls Club
Facelift & Teen Room Grand Opening

The Woodland Park Clubhouse had it's Ribbon Cutting Ceremony January 13th to celebrate the partnership with Lowe's and the renovation of the Clubhouse.

The Woodland Park Clubhouse was awarded the Lowe's Renovation Across the Nation $50K grant in 2016. Over the course of xmonths, 28 Lowe's staff volunteered from the Anchorage Lowe's stores and put in over 158 hours at the Club.

What was renovated?
- Games Closet
- Cafe
- Art Room
- Teen Room
- Staff Office
Together we make a BIG Difference!

Starting in 2014, Boys & Girls Clubs - Alaska and Arctic Slope Community Foundation have joined forces to implement BGCA’s Project Learn program. Project Learn utilizes high-yield learning activities, including reading and writing activities, discussions with knowledgeable adults, homework help, tutoring and games that develop young people’s cognitive skills. The program also emphasizes parent involvement and collaboration between Clubs and school professionals. Project Learn is implemented in 17 Clubs that serve Alaska Native youth with a focus on grades 4-8, reaching hundreds of youth.

Organized by United Way of Anchorage, 90% by 2020 is a community wide partnership to drive our high school graduation rate to 90% by the year 2020. We are proud to be an active partner with the 90% by 2020 initiative, which includes 100 individuals and organizations working together to attain better results for all our kids.

Anchorage Youth Development Coalition’s current efforts include promoting positive youth development so all of Anchorage’s youth thrive. Their collaborative programing integrates strength-based strategies through providing advocacy, networking, and training to support youth workers and improve youth programs. The work of the Coalition is conducted through workgroups, trainings, and collaborative projects.

Alaska Communications’ Summer of Heroes is a partnership program to promote awareness and support for youth development programs throughout the state. Running from April through July, the program includes two main components – a youth recognition program and a cause-related sales promotion – highlighted by several events throughout the summer to engage Alaskans and drive participation in a meaningful way.

Our partnership with Taco Bell Foundation allows some of our urban Clubs to stay open for teen only programing beyond our traditional Club hours. This program exposes our teens to educational experiences that increase their awareness of post secondary opportunities including: college, career training, internships and military options. The program also includes teaching our teens how to apply for a job, go through the interview process, how and where to apply for scholarships, as well as, how to complete the college admissions process. Through Taco Bell funding, we can also hold grade progression and graduation ceremonies for our Club members.
Thank you to our donors who chose to Pick.Click.Give. with us in 2017!

The Pick.Click.Give. established in 2008, by the Alaska State Legislature, and was designed to give Alaskans a safe, easy way to contribute to causes they care about by providing them an opportunity to give part of their Permanent Fund Dividend when they apply each year.
